Dear Mr. President:

On April 14, 2015, the Los Angeles County Board of Supervisors unanimously adopted a motion by Supervisors Hilda L. Solis and Mark Ridley-Thomas to accept the My Brother's Keeper Community Challenge. On behalf of the Board, I am writing to express the Board of Supervisors' support for your initiative.

The County of Los Angeles accepts the challenge to implement strategies aimed at ensuring that a greater number of our young people are positioned to succeed. Within the next few months, the County will convene a Local Action Summit including government stakeholders and external partners such as local education agencies, student and youth groups, workforce development programs, business leaders, and philanthropic entities. As part of this effort, the County will form recommendations for action with targeted outcomes to help eliminate opportunity gaps and barriers facing youth in Los Angeles County, including boys and young men of color.

Your leadership and efforts on this important matter is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Sachi A. Hamai". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
